Memorial Fund Gets Boost

The Dr. David A. Christian, III, Memorial Fund has been increased by a $792.06 contribution from the employees of the Appomattox Garment Company. One hundred and eighty envelopes, containing donations from this number of individual employees was turned over to W. C. Dudley, treasurer of the fund, Tuesday afternoon. It is understood that other employees have made pledges to swell the total Garment Company contribution to this project.

Commenting on the fine support of the Memorial Fund effort, by the Appomattox Garment Company and its employees, C. T. Moses, Jr., the chairman of the fund raising committee said, "This is an outstanding example of what can be done to achieve our goal. The Appomattox Garment Company employees approached this drive in an organized manner. Each employee was given an opportunity to make a definite pledge to the Memorial. A goal was set as to the amount to be collected. We are indeed grateful for their support."

It is understood that total pledges at the Appomattox Garment Company amounted to over $1,000, and that the cash turned over Tuesday will be increased as the pledges are paid.

The Christian Memorial Fund was set up here shortly after the tragic shooting and the death of young Dr. Christian when on a mercy call to Evergreen in late February. The popular young physician had dreamed of a medical center in Appomattox, and friends organized an effort to fulfill this dream as a permanent memorial to him. As of now some $10,000 is in hand or in sight for such a project.

Co-op Meeting

Members of the Southside Electric Cooperative and the public in general will get an opportunity to review all phases of the progress of this organization at the 17th Annual Meeting of the membership to be held as an all-day affair at the Prince Edward High School stadium in Crewe on Saturday, July 16, 1955. This Annual Meeting usually attracts more than 6,000 of the 15,089 consumers of the Cooperative from 17 counties in Southside Virginia.

This year as usual the planning committee will prepare the stadium for comfort regardless of weather conditions.

A full report of the operations of the cooperative will be presented by the manager and officers of the board of directors. There will be a summary of plans that the cooperative hopes to carry out in the future. This meeting also gives members an opportunity to ask questions about the organization which serves them with the electricity they use on their farms and in their homes.

Speakers for this occasion will include the Hon. Watkins M. Abbitt, Congressman from the Fourth Congressional District, who will enlighten the membership on what the Congress is doing to forward the progress of Southside Electric Cooperative and other electric cooperatives throughout the nation. Mr. Ancher Nelsen, Administrator of the Rural Electrification Administration in Washington will speak on the advancements that Southside Electric Cooperative has made and how this Cooperative has set a challenge for other cooperatives throughout the nation. The Rev. Tom Cook, lecturer and humorists, will speak on the lighter side and furnish entertainment with his talk, as he is so capable of doing.

The program will get under way at 9:30 A. M. with a lunch period at noon. The afternoon program will start at 1:30 P. M. and the entire program will be over by 3:00 P. M.

Other than regular business that is to be presented to the members, there will be music of the kind you like, and entertainment by "Davy Crockett, King of the Wild Frontier."

Besides reports from the management and officers of the Cooperative, the members will elect four directors for the next three years. Those who have been nominated by the nominating committee are: J. R. Ashwell, C. S. Dodd, Dayton Dillon and G. T. Connelly. The members will also be given a chance to make nominations from the floor.

New rest room facilities have been built at the high school stadium to provide for the huge crowd that will be present.

News Around Town

By Mrs. Calvin Robinson

One of the paper salesmen who has been calling on us for years upon end, and who is a great favorite of ours, made his regular call this week. He is Mr. Crockett, of the Virginia Paper Company, of Richmond. He lives in Richmond. And, so help us, Mr. Crockett says that he is in trouble. He may have to have his home telephone taken out. He says that nearly every night the telephone rings and a voice asks if this is "the Crockett residence. When assured that it is, the voice says, "May I speak to Davy, please." Ah—so what things will the Davy Crockett craze lead us next.

Nice new paint job at the local Presbyterian Church. Also St. Ann's Episcopal Church.

A plea for support has gone out for the Appomattox team in the Patrick Henry League. The team has not been favored with much of the way of support this season, and has had rough sledding. But, it seems that pretty much the same is happening all over, and unless baseball thinks up a new wrinkle, it may retreat to the position of being a minor sport. This year, the Appomattox club is made up almost altogether of local palyers and those who like baseball should rally to aid the backers of the team, before it is "too little and too late."

The fine people up at Stonewall are wide awake. The ladies there will sell food and soft drinks at the voting place next Tuesday.

From all we hear, the community cannery has really started off with a boom this season. The cannery had record days Tuesday and Wednesday. Could be because we have had near perfect growing weather and most everyone is busy brim with stringy beans.

People around town have been going over to see the annual tomato plants of Dr. [illegible] Spencer.

Some months ago, we were telling of our tours, and in a restaurant overheard the hostess telling a waitress: "We have a new waitress; she over-cooks everything a customer wants it rare, overcooks it if they want it medium. And if they order it well done, she will cook it to death."

LIGHTENING STRIKES TWICE

Whitney Point, N. Y.- A few minutes after a lightening bolt struck the house of Augie Tappan in New York, damaging several timbers in the attic and blacking out his TV set, he received a phone call, informing him that a concession stand he owned about 15 miles from his home had been smashed by another shaft of lightening and had been blown away.

WATCH THEIR PLANT BURN

Corinth, Miss.- While Mr. and Mrs. Douglas Cochran were attending a drive-in movie, they saw flames shoot across the sky and, for nearly a half hour, they divided their attention between the screen and the distant fire.
